

AGE GROUPINGS OF KIDSPPOINT ORCHARD

INFANTS-5 YEARS OLD

The Greenhouse...where the seeds of Truth are planted. Our Greenhouse nurseries provide a place of nurture and safety. Our toddlers and preschoolers experience active, hands-on lessons with a lot of jumping, singing, dancing, and laughter.

Our Greenhouse objective is to help you solidify in your child's heart:

**God created the world and God created me
God loves me**

**The Bible is God's book and every word is true
Jesus wants to be my friend forever**

KINDERGARTEN-2ND GRADE

The Olive Grove...where kids discover and grow in Christ. Your kids will experience lively worship, creative Bible teaching, small group prayer, and activities. We want kids to know how God's Word applies to their lives and that they can talk and listen to Him.

Our objective in The Olive Grove is to help you solidify in your child's heart:

**I need Jesus as my Lord and Savior
Because of my love for Him, I need and want to make wise choices
I can trust God no matter what
I want to treat others the way I want to be treated**

3RD-5TH GRADERS

The Canopy...where passion for God bears fruit. We long to see our older elementary kids seek answers to their many questions, soak in God's Word and allow these truths to shape their life to be glorifying to Him. We also want to support them as they launch into their middle school years and provide opportunities to grow friendships and to learn how to stand together in Him.

Our objective at the Canopy's age level is to help you solidify in your child's heart:

**I am created to pursue and grow in an authentic relationship with my Creator and others
If I make Him my Lord, I belong to Jesus Christ
I exist to demonstrate God's love and truth**
